**ONE THING: IN
TAKE HOME A TRUE CARE BABY BOTTLE FROM THE FOYER!**

Announcing True Care's Baby Bottle Boomerang! Baby bottles are available in the foyer for you to take home. Each bottle has a tag that lists the life-affirming services of True Care and the costs of some of the many materials needed to keep the ministry going. Place your bottle in a prominent place in your home where you will remember to pray for the staff, volunteers and patients of the Center. Return your bottle on Presidents' Day weekend (February 14), filled with the coins, bills and checks you collect. Thank you for partnering with True Care to erase the perceived need for abortion in our community!

**ONE THING: OUT

**THIS WEEK'S MISSIONARIES
DAVE & JANELLE WEEKS**

Dave & Janelle Weeks serve with Campus Ventures at Casper College. They made adjustments to their ministry due to covid, but are grateful they could continue meeting with students. A bright spot for 2020 was the students in discipleship groups. Dave met with 12 guys in various small groups and Janelle with 10 women. Please pray for them as they prepare to meet students in the new semester, praise for students who had real growth in the fall, pray for students who are searching hard for God, and pray for the anxiety the students are experiencing due to all the changes. They appreciate our support and prayers. The Weeks' prayer for 2021 is that the Lord will show us how to use what we have learned in this difficult past year to encourage and inspire others.

Prayer request from the Shermans this week: Danny is not feeling well, and also having an eye issue as well as a chipped tooth. Please pray for return to health for Danny and pray that Jenny and Manuel stay healthy.
