**ONE THING: IN  
SUNDAY MORNING PRAYER**

**On Sunday mornings at 8:00am** we're encouraging you to join together in the Mission View Room for prayer over our weekend services, congregation and community. **Why pray?** We believe that "unless the Lord builds a house, they who build labor in vain." God's command to the Church is to bear one another's burdens by lifting each other up to the Lord. **So... join us!**

**THIS WEEK'S MINISTRY: MISSIONS  
WELCOME TO ERIC & HOLLY BELZ!**

Here are a few ways to get involved in Missions at Cornerstone!

- *Prayer books* with all of the Cornerstone missionaries are in the foyer.
- *Alaska Missions Trip* is schedule for August 23rd - September 2nd. **An informational meeting for those interested is Sunday, April 25th at 10:20am in the Mission View Room.**
- *Our monthly missionaries for May are Eric and Holly Belz.* Check out the missionary table in the South Foyer for information and to find out how to get involved! We will feature a different missionary each month.

**This week and in May we are taking a special offering for Eric and Holly.** You can give to the Belz in the envelopes provided with cash or checks made out to Cornerstone Church or give online.

**Please warmly welcome Eric and Holly at our worship services this week!** The Belz have been serving in ministry since they got married. Initially in pastoral ministry in California, God moved them to life and work raising their three kids and training pastors in East Africa. After three years, God moved them back to the States and Eric transitioned into his current role as Africa Director for Pathways Bible Training. They live in Olympia, WA, and Eric trains pastors all over Africa while Holly coordinates prayer ministry. Prayer requests: Lifting of travel restrictions so Eric can resume "in-person" training of African pastors. Praise God for Holly's improved health after eight years of challenges, and continue to pray for Alyssa's complete healing. Pray for God's guidance for Adam and Andrew as they figure out careers. Adam heads off to seminary in the Fall. Pray for Eric's successful completion of his doctorate, hopefully graduating in May.
