Recent News: We continue to emphasize prayer asking for the whole church to be doing the same, daily. Prayer sheets are available in the foyer or from your T-group leader. We continue to emphasize being Word-centered in our process. We have spent significant time the last two meetings organizing the steps required and laying out goals for the process. Our goal is to have an initial candidate list around late August to September. We would like to invite anyone in the congregation to give input regarding our next senior pastor. Please reach out to anyone on the search committee either in person or via email.
